EASTSIDE JUNIOR SENIOR HIGH SCHOOL

EASTSIDE HIGH SCHOOL
BUTLER, INDIANA
VOLUME 16

It happened in '78-79. All the things that made this school year unique. Remember the toga craze and our own Mike "Tiny" Kiessling in his toga?? How about frogman, Dave Blair?? Then came Tuula, our exchange student, the Halloween dress up, Tammey Hicov as a Blood Drop, the Senior prank, and finally Graduation. Yes, all of these unique things are what made this year "The Last of the '70s.

Girls'-Boys' State

From June 10 through June 25, the campus of Indiana State University at Terre Haute, became the home for close to 2,000 high school students interested in government.

The session of Hoosier Boys' State was held during the week of June 10-17. Kenny Ray and Mark Haberkorn were delegates from Eastside. Boys' State is designed by the American Legion to give the young people of Indiana a chance to learn the aspects of state and local government, and to discover a sense of pride and loyalty toward America. While learning about government, those who attended Boys' State learned the value of good citizenship, and formed lasting friendships with their peers.

Hoosier Girls' State was in session from June 18-25. Miriam Graham represented Eastside. Arriving in Terre Haute on June 18, amid over 800 other girls from around the state, was just the start of a fun-filled, action-packed week for Miriam. Girls' State is set up by the American Legion Auxiliary, and follows a program similar to that of Boys' State. Good citizenship, involvement in government and national pride was stressed during the week.

Seven Compete For Title Of "Miss Eastside"

Tina Carnahan plays ''Valse in F flat''.

There were seven contestants in this year's Miss Eastside contest which was held on Wednesday, September 13.

The first to display her talent was Carma Bremer, singing ''The Way We Were.'' Tina Carnahan then proceeded to play a selection on the piano called ''Valse in E flat.'' The next contestant was Kim Kessler singing, ''I Won't Last A Day Without You.'' Kim Powell moved the audience with her version of the song, ''I Don't Know How to Love Him.'' Monica Snyder twirled baton to ''Aquarius,'' impressing the audience with her expertise in twirling. Tammy Warstler chose to sing, ''I Honestly Love You'' as her talent in the competition. Susan Yates rounded up the contest by singing, ''A Time for Us.'' All the girls put forth a fine effort, and it was really up for grabs as to whom the lucky winner would be.

It was a difficult decision for the judges to make with all of the excellent performances, but in the final outcome Monica Snyder was chosen as Miss Eastside with Kim Kessler as alternate.

Both girls advance to represent Eastside in the DeKalb County Pageant.

Many Students Involved In County Fair

Eastside students were very involved in the DeKalb County Free Fall Fair this year, receiving top honors in many areas.

Monica Snyder and Kim Kessler represented Eastside in the Miss DeKalb County Pageant. Kim was chosen as Miss Congeniality and Monica was honored as first runner-up. Senior Joy Zeigler, last year's queen, performed also saying a special goodby through her dummy, to her duties as Miss DeKalb County.

Many Eastside students participated in the 4-H activities held throughout the week. Honors went to: Steve Lechleidner, senior beef showmanship; David Surface, junior swine showmanship; Sheila Haley, reserve grand champion rabbit; Mark Koeppe, champion grade Holstein; Len Moughler, reserve champion Guernsey; Danny Martin, junior sheep showmanship; Jeff Leeper, champion ewe; and Mark Johnson, champion pen of two market lambs.

Eastside band members also participated, marching in the opening parade on Monday night and in the Miss DeKalb County Pageant parade. The band placed first in its class in the Grand Finale Parade on Saturday.

All participants in the DeKalb County Fair deserve congratulations and thanks for making the fair a time of victory for Eastside.

At first, it seemed like any typical Monday morning in October at Eastside. But taking a closer look at the students, it was noticed that they had their clothes on backwards! Were they starting a new fashion trend? Actually, it was just the first day of Spirit Week, in honor of Homecoming. The rest of the week, students showed their spirit by dressing down, wearing green and white, dressing up, and as the conclusion of the week, Grease Day.

On Thursday and Friday, "The Challenge of the Classes" was held. The overall winners were the sophomores. A Spirit Bonfire and Snake Dance was held Thursday evening.

Spirit Week was aptly named because everyone was full of spirit and school pride during Homecoming Week.

"THE PERFECT IDIOT"

Who was the perfect idiot? In this case, it was Brian Powell, star of "The Perfect Idiot." Under the direction of Melanie F. Myers, the Drama Department presented "The Perfect Idiot" November 10-11.

Brian Powell excelled in the role of the boy wonder, Dan Tennyson. Dan had all the brains, but no friends. His parents wouldn't let him take his college entrance exams until he proved himself popular at school. While Dan was stewing about his messed-up life, his sassy sister, Jackie (Tracy McKown) was trying to convince her friends (Susan Yates, Margaret McCollough, Julie Armstrong, Tammy Gettinger) to allow Dan to tutor the star athlete of the school, Puff (Tom Morr). Puff had been suspended from all sports until he could pass his exams. Dan made an interesting deal with Jackie's friends. This led to some madcap adventures as Dan perfected his hypnotic tutoring device: Puff slowly became a scholar, Mr. Latherby (Tim Rubalcaba), the respected businessman, accidentally became hypnotized and thought he was a rabbit, and Dan and Linda Barnard (Susan Yates) fell in love.

Moods Through Song

In this musical, the action centers around Dorothy, a farm girl from Kansas, whose house (with her in it) gets carried away by a tornado to a beautiful land over the rainbow that's full of very different people, witches, and a wizard. The plot thickens as Dorothy meets a scarecrow without a brain, a tinman without a heart, and a lion who lacks courage. Together they make their way to the Land of Oz in hopes that the great wizard can give her companions what they lack and provide Dorothy with a way back home to Kansas. What follows teaches the scarecrow, tinman, and lion that they already had their brain, heart, and courage, and Dorothy learns that there's really no place like home.

''... off to see the Wizard, the Wonderful Wizard of Oz ...''

"A Time For Us," the Jr.-Sr. Prom, was a success again this year. Julie Armstrong welcomed the senior class and Jody Phillips, senior class president, gave a response immediately following the dinner, catered by Hall's of Ft. Wayne and everyone was entertained by Whitestone, the magician. The formal dance was then held in the gymnasium with music provided by "Choice". At midnight, the king and queen were crowned and everyone left to change clothes and return at 1:00 a.m. for the after-prom held in the cafetorium.

Several convocations were held throughout the year. EHS had the pleasure of hearing Senator Richard Lugar's views on several issues. After a short speaking session, the floor was opened to any questions that the student body might have. Students were most cooperative and had some worthwhile questions.

We also had the pleasure of being entertained by several musical performers. One, in particular, who sang about "mystery meat" and another who was performing at the Mousehole during the DeKalb County fair. On field day, a Christian rock group came and entertained us before the competition began. They returned that evening for an additional concert.

Senator Richard Lugar speaks to EHS student body.

... mystery meat, as much fun to make as it is to eat.

Senior wrestler Brian Powell receives the Most Valuable Player award from Coach Watson.

Tuula Sinikka Mikkonen was Eastside's exchange student to the United States from Heinola, Finland. She was sponsored by the Butler Rotary Club and was here for one year.

After two months of living here this article, written by Tuula, was published in the school paper.

EHS Students,

Two months ago when I was leaving home in Finland I noticed again how strange a man can be to leave home, old good friends, and Mom's meatballs voluntarily.

Seriously, I was a bit hesitant and confused. Switching the home country can be a big surprise. I didn't know anything about the town of Butler, rather this state, or this country, anything! On the other hand, it was exciting, too.

Now I've found I really didn't know too much about your way of living.

After passing two months in Eastside Super High School, I've got some comprehension of your schooling. The first thing that comes to my mind is a great number of subjects you can choose. Like animal care, interpersonal relations, and photography are something new to me.

I appreciate a lot of the working practice that can be done, too, for example in the library or administration building. It will give a foretaste of what working is like.

The understanding between teachers and students seems to be really friendly. You can just make jokes with teachers. I think getting well on together with teachers and students is the key to the pleasant studying.

The activities seem to have a great role. Nearly everybody belongs to some sport club or some other club. It's great!

In Finish schools, because of many subjects, we don't have a chance to spend time on sports in so big a way.

Graduation is different too. You graduate a year earlier than we do, we have to take exams before graduation.

When it comes to food, I couldn't believe I'd survive without brack break, but I seem to be in good health. I've even gained. Junk food is the best food, isn't it?

Do you know what, Guys? I am really lucky. I am really lucky to be here with you.

Yours,
Tuula Mikkonen

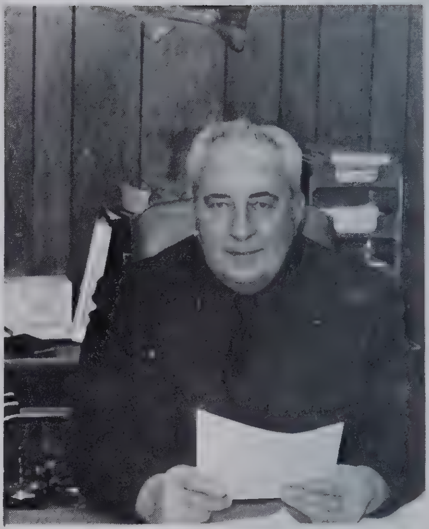
Mr. Earle Lewis Kelsey
1928-1979



Mr. Kenneth Cole
1920-1978

Evelyn G. Oberlin, 56, died Thursday, March 22, 1979 at Lutheran Hospital in Ft. Wayne. Mrs. Oberlin resided at 611 S. Indiana Street, Auburn, Indiana. She was our study hall teacher for two years.

THE CLOCK OF LIFE
The clock of life is wound but once,
And no man has the power
To tell just when the hands will stop
At late or early hour.
Now is the only time you own,
Live, love, toil with a will —
Place no faith in ''tomorrow'' for
the clock may then be still.
ANONYMOUS

Earle Lewis Kelsey, former President of the DeKalb Eastern School Board, passed away Saturday, February 10, 1979 in Parkview Memorial Hospital. Mr. Kelsey, 50, had been ill with leukemia for the past year.

Mr. Kelsey was born July 26, 1928 in Chicago. He was a resident of St. Joe for the past 12 years.

Mr. Kelsey was a travel agent and the owner of the Fort Wayne Travel Service. He was a member of the American Society of Travel Agents and the Aircraft Owners and Pilots Association.

Mr. Kelsey was a Korean War Veteran and a member of the St. Joe Lions Club.

Superintendent Kenneth Cole passed away Sunday, July 23, 1978 while vacationing at White Lake, Ontario, Canada with his family. His death was caused by heart failure. Mr. Cole was 58 years old.

Mr. Cole was born on July 12, 1920 in Park County, Indiana. He graduated from Ball State University with a BS degree in Education in 1942. Mr. Cole received his masters' degree from Indiana State University. He also did further graduate work at Purdue University.

Mr. Cole was active in the Northeastern Indiana Superintendent Study Council and was a member of the Indiana Superintendent's Association. He was also a member of the Association of School Administrators. Mr. Cole was also active in the Butler Rotary and was a Mason for many years.

The Eastside Lady Blazers' 1978 volleyball team posted a very admirable season record of 15-5. Highlighting regular season play was the Blazers' superb victory over Carroll at the end of the season. Despite losing the first game 11-9 after eight minutes of playing time had run out, the Green and White came back to hold off a Carroll rally 12-10 in the second game and 12-7 in the decisive third contest with the clock running out both times.

With high hopes, the 13-3 Lady Blazers entered the ACAC tournament heavily favored to win. The team did well on opening night, defeating both Heritage and Southern Wells to advance to the semi-finals. There the Lady Blazers were downed by Carroll's consistent play. Despite this disappointment, the girls looked to sectional to redeem themselves. However, their hopes were again dashed as they lost in the first round to DeKalb's fired-up Barons.

The team loses six super senior players this year. Mary Jo Baughman, Amy Hampel, Lisa Johnson, Sunda Obendorf, Cheri Schmucker, and Terry Stine worked hard together to bring pride to Eastside during their seasons on the court. Those who remain behind will miss their skill and enthusiasm and wish them luck wherever the future finds them.

Surprising, is the best way to describe the grapplers of Eastside. The team was supposed to be in a rebuilding program with several underclassmen, but shocked many teams with their growing ability. The grapplers received leadership from the seniors of the team — Brian Powell and Don DeLong. The Blazers finished with a 6-6 record along with being the Central Noble Invitational Champs. Mr. Watson and Mr. Goff coached the young men.

Winning is the 2nd step, wanting to win is the 1st. This motto best describes the Lady Blazers this season. Through determination, they claim the title as one of the "Sweet Sixteen" in the state of Indiana. The dream for the ladies came true after many long hours of practice through their high school years. No matter how tall the opponent, the Lady Blazers never gave up because they had the inner desire to rule over the other opponents they faced. The team also brought home the ACAC tourney championship. The team was under the direction of Valerie Gates, assisted by Kathy Eyster. The two managers were Sherry Herrick and Shari Harmon.

Band Helps Support Blazers

The band got an early start again this year by leading the Butler Days' parade. They performed for all the home football games and competed at the DeKalb County Fair, receiving a 1st place rating. Also, they received an outstanding band award in the LaGrange County Corn School.

Several people participated in solo and ensemble contests at district and state levels. Dan Cairl received a superior rating for a baritone solo and a woodwind trio received a second place rating, both in state competition. Several others were in the pit orchestra for the spring musical.

The main goal this year was raising funds to purchase new uniforms. These will arrive at the opening of the 1979-80 school year.

The pep band performed at all home basketball games, pep rallies, and also accompanied the Blazettes in their routines for the drill team competition at Wapahani High School, Selma, Indiana. Many solo and ensemble entries were participants in the district and state contests. The concert band, in addition to it's annual concerts at Christmas and Spring, will also play for graduation. It entered the State Band Contest also. Many members of the band participated in the pit orchestra which played for the musical "Wizard of Oz."

Cheerleaders "Do It" With Blazer Power

The Cheerleaders were active this fall in many pep sessions and snake dances for the football team, topped off by Homecoming and the last annual Battle of the Classes.

They also sold SPIRIT and PRIDE shirts which were purchased by students, faculty, the boys' and girls' basketball teams, and seniors.

Sectional week was declared DEFEET'EM week, and a spirit chain of feet with messages of good luck to the Blazers was hung in the cafeteria.

The varsity attended a cheerclinic at Mich. City Rogers HS, and won a 1st place trophy over 40 other squads.

Mrs. Hudson, the sponsor, felt it was a good year for spirit at EHS.

The Blazer Chapter of the National Honor Society was a very active group this year. To start the year off they served as hosts, along with the student council, for the "Parent Night" at EHS. As another service project, they were the nucleus of a new group called the Sports Officials Club, which took care of all the athletic events. They went Christmas carroling to some of the nursing homes around Butler and had a great time. To finish out the year, they held their annual banquet at the "Patchwork Quilt", a restaurant near Middlebury, Indiana. After an enjoyable and filling meal, the prophecy was read. This concluded the evening as well as the year for the NHS.

Business students of the USA have their very own professional career organization — the OFFICE EDUCATION ASSOCIATION (or OEA as it is known around Eastside).

This club — OEA — was brought into being through the state and federal vocational and career legislation of the last fifteen years.

The primary purpose of membership in the OEA is the LEADERSHIP GUIDANCE and OPPORTUNITY that develop through club activities. Members participate in the DEMOCRATIC PROCESS through election of officers at all levels, but particularly so at state and national conventions where officers are elected each year through nominating, campaigning, and caucusing activities.

Contests are held each year in every phase of business skill. The Regional for Eastside is usually held in one of the high schools in Ft. Wayne, but state contestants who make the top 3 at regional compete at the J. Everett Light Career Center in Indianapolis over a three-day period. It usually takes over a week to attend the national contest which can be held in any major city of the United States such as Boston, Detroit, or Houston.

The Indiana OEA clubs sponsor the JUNIOR OLYMPICS each year and the Eastside OEA clubs bring a "charm" and "finishing" school to senior level career lab students annually. OEA is so important as an organization that it is considered co-curricular and brings many of its activities right into the classroom.

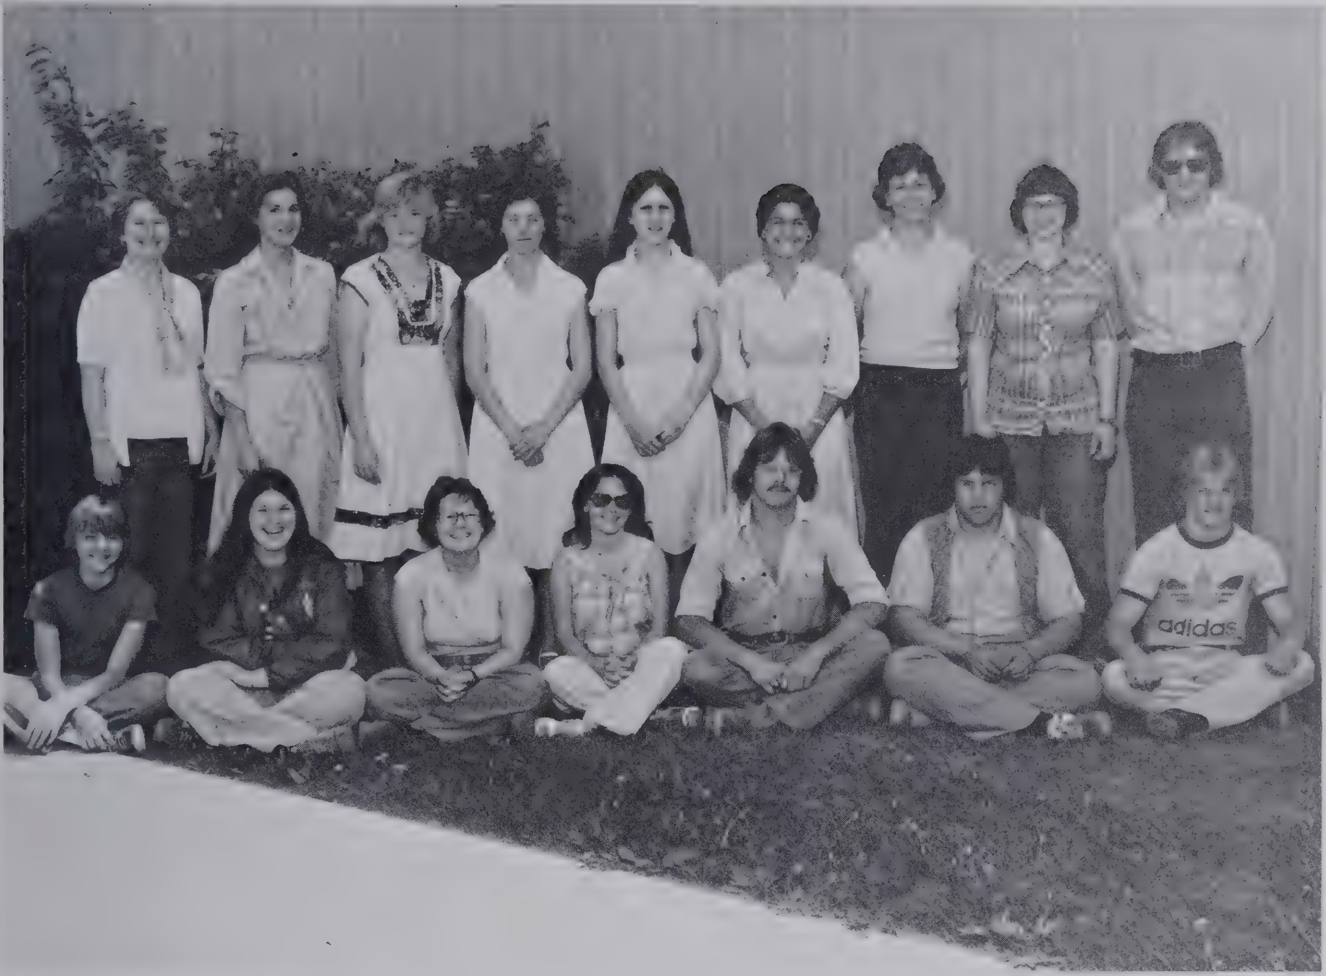
This year the Drama Club had two very successful plays. The fall play was "The Perfect Idiot" and starred Brian Powell in the leading role. Both performances were superb.

"The Wizard of Oz" was chosen as the spring musical. Under the direction of Miss Myers, Mrs. Bratton, and Mr. Foster, it too was very successful. Many drama club members worked backstage as well as performing.



FRONT ROW: Chris Holt, Cathy Simmons, Aleta Brown, Jamie Smith, Tom Morr, Tim Rubalcaba, Stuffy Dwyer. BACK ROW: Sponsor — Miss Myers, Margaret McCullough, Tracy McKown, Julie Armstrong, Susan Yates, Joy Zeigler, Donna Kray, Kathy Ray, Dan Conn.

This group of people had earned enough points in drama to become Thespians. They had to go through an initiation, which proved to be very embarrassing to many. Donna Kray was dressed in a trash bag and when asked why she was dressed that way, replied "Don't get mad, get glad, Glad Heavyweight Trash Bags."

Cooperative Education is rapidly becoming the transitional education program for students before they graduate from high school and enter the world of employment on a fulltime basis. Through the school, students alternate classroom instruction and on-the-job training. A teacher coordinates the student's occupational experience; the employer supervises them on the job.

The INTERDISCIPLINARY COOPERATIVE EDUCATION (ICE) program spans all vocational program areas through an interdisciplinary approach to training for employment. Students are placed in training stations in the community according to occupational interests and opportunities within the local community. The teacher conducts an in-school class which deals with the commonalities of occupations and employment, such as interpersonal relationships, communications, legal aspects of employment, along with other general related and specific information.

Margaret McCollough trains at Universal Tool and Stamping in Office Education in ICE.

Foreign Countries Become A Reality

The Spanish Club this year has again been raising funds to send two Spanish III students to the Colegio Americano in Torreon, Mexico. This summer Ronda Doll and Vivian Ortiz will be in Torreon from June 25-July 27 attending classes, living with Mexican families, and sight-seeing. The cost per student has risen to $405 and Eastside has been the only school whose Spanish Club sponsored its participants financially, paying for tuition and room and board.

This year, the club has had several bake sakes, a car wash, and a Mexican dinner in April which was the No. 1 moneymaker.

The Graduating Class
Eastside High School
603 E. Green St.
Butler, Indiana 46721

Dear Graduate:

You have spent many years and countless hours studying the basic laws of nature and science that govern our universe, and the laws of business, society and government which govern our human relationships so that you would be prepared to meet the challenges of life. Your success in meeting those challenges will largely be determined by how well you are able to function within the framework of these laws.

However, perhaps in your quest for knowledge and understanding you have ignored the most important laws of all--the eternal, unchangeable laws of God that not only govern the degree of happiness with which we will enjoy life, but will determine our eternal destiny. It is only as one understands and accepts these spiritual laws that the basic questions of life can be answered--WHO AM I?--WHAT IS MY PURPOSE IN LIFE?--and WHAT IS MY DESTINY? These laws are presented for your examination and consideration in the hope that you will find, as we have, the abundant and eternal life that is available in Jesus Christ.

Sincerely,

AMBASSADOR STEEL CORP.

Richard C. Ripberger, Vice President

TRUE HAPPINESS DEPENDS UPON A PERSONAL RELATIONSHIP WITH GOD.

LAW ONE: God LOVES you, and Offers a Wonderful PLAN for Your Life.

"For God so loved the world, that He gave His only begotten Son, that whoever believes in Him should not perish but have eternal life.--John 3:16.

"I came that they might have life, and might have it abundantly."--John 10:10.

LAW TWO: Man is SINFUL and SEPARATED from God.

"For all have sinned and fall short of the glory of God."--Romans 3:23.

"For the wages of sin is death."--Romans 6:23a.

LAW THREE: Jesus Christ is God's ONLY Provision for Man's Sin.

"Christ died for our sins. . . He was buried . . He was raised the third day, according to the Scriptures. . . . --I Corin. 15:3-6.

© MCMLXII, The Standard Publishing

"Jesus said to him, 'I am the way, the truth, and the life; no one comes to the Father, but through Me.'"-- John 14:6.

LAW FOUR: We Must Individually RECEIVE Jesus Christ as Saviour and Lord

We must receive Christ

"But as many as received Him, to them He gave the right to become the Children of God, even to those who believe in His name."--John 1:12.

We must receive Christ through Faith

"For by grace you have been saved through faith; and that not of yourselves, it is the gift of God; not as a result of works, that no one should boast." --Ephesians 2:8,9.

We must receive Christ by personal invitation

"Behold, I stand at the door and knock; if any one hears My voice and opens the door, I will come in to him."--Revelation 3:20.

Now that you've come to the final page of the Easterner, "The Last of the Seventies," I hope it has served its purpose in reminding you of everything that happened in the school year of 1978-79. I also hope that ten years from now when you say, "What was that teacher's name?" you'll get out your yearbook and look it up. Use this book as a memory book, for nowhere else will you find the events, names, and places of the things that happened around you in 1978-79.

Putting together a yearbook is not an easy task. It requires many people working together. First of all, I would like to thank the yearbook staff for the fine job they did in selling advertising, and also in the sales of the yearbooks. Also, I would like to thank the advertisers, because without them there really couldn't be a yearbook.

Secondly, I would like to thank my photographers Ken Ray, Mark Haberkorn, Jody Phillips, Roger Powers, Robert's Studio and KFS Studio. I would also like to thank Donna Kray and any others who contributed photographs to this book.

The administration and faculty helped immensely. Teachers were very understanding for club and sports pictures. The administration helped set dates for the photographer to come and set school days aside to do so. A special thanks to the bus drivers, who have now had their picture taken 3 or 4 times. Thanks for your cooperation.

Thanks to Miriam and Mary Jo for copy and scores. Also, thanks to Sheryl Kinsey, our business manager, who did a good job keeping everything straightened out.

Coleen Van Zile, assistant editor, was a great help to me this year. She ended up typing a lot of things and doing dirty work for me. Thank you for all of your help and best of luck next year.

Now comes the hard part. How can you ever thank someone who has all the patience and understanding in the world? Mrs. Hood is that person. She kept me going when I got discouraged. She was always there bringing up things I never even thought of. Mrs. Hood is a terrific person who knows her yearbook stuff.

Finally, I'd like to thank you, the reader. I hope that looking through these pages has helped you recapture some of the things that happened and made this school year unique and "The Last of the Seventies."
